TAGBOARD

Memo to DDCI; Subj: Review of Proj TAGBOARD
From DD/R (HSJr.)

Management and technical monitoring of this project delegated to
CIA by DNRO on 17 October 1962 was removed from CIA 4 June 1963.

MFR by DDCI L/G Carter
re meeting with Dr/Brockway McMillan, DNRO

TS

23 July 1963

As result of meeting, Gen Carter said he was going to hold the line
on budgeting for TAGBOARD under Program B and keep technical
management in Program B, pending further discussion with Geary et al.

Proposed that McMillan have a one or two day symposium for NRO
top staff to reorient them to the purpose of NRO -- to collect
intelligence, not just shoot another rocket into the air.
